

Mom's 15-Minute Sausage and Potato Bake

This easy and hearty dish will be a crowd-pleaser!

Tip

This recipe makes a 9 x 13 dish, but if you are cooking for a crowd, you can easily make this into an 11 x 15 using the same amount of meat. Just double your potatoes and beans!

- 1-2 14-oz packages of kielbasa (or sausage substitution of choice)
- 6-8 medium russet potatoes
- 2-3 cans of green beans
- 4-6 Tbls of butter
- Salt, pepper & seasoned salt to taste

Slice kielbasa into bite-sized chunks. Peel and cube potatoes. Layer kielbasa, potatoes and green beans into a 9 x 13 dish. Melt butter and drizzle over. Season to taste. Mix a few times to evenly distribute butter and seasonings. Cover and bake @350 for one hour. Remove foil and bake an additional 20-30 minutes until browned. Enjoy!
